Mr. Vernon A. Walters  
Acting Director of Personnel  
C. I. A.  
Washington, D. C. 20505

Dear Mr. Walters:

Long before I became an American citizen, I was  
an admirer of the Central Intelligence Agency. Re-

the stand against Communism.

Even though I am a proud citizen of the United  
States, I have a deep respect for my mother country,  
and I would love to work within the limits of my  
capabilities to continue and enforce this bridge of  
understanding and ideals between my two countries.

My families, properties and businesses enable  
me to keep in close contact, on both continents, with  
many persons and locations. I can assure you that my  
history and background are untarnished, and I am in a  
position to present an excellent resumé and references.

I would be very pleased to hear from you on this  
matter as soon as possible inasmuch as my plans are

Very truly yours,

STAT
